CONGRATULATIONS...YOU HAVE SUCCESSFULLY SUBMITTED YOUR REQUEST FOR ASSISTANCE!!!

Your Request for Assistance is now saved in the system (EMGrantsPro). HSEMD staff will be notified through the system that your RPA has been submitted.

HSEMD will then provide FEMA with your RPA. After FEMA approves your RPA, you will be notified by HSEMD to fill out and submit a set of application documents and a “risk assessment” which is a Regulatory requirement for all Public Assistance Grant Program applicants.

THANK YOU!
